

WELCOME TO ESSEX*

We also run The Mini Store by the Meadows, The Copse & Pastures.

Whether you're looking to study, socialise, relax or party; your free SU membership gives you access to SU venues;

01 Greenhouse Café — a social space, serving Starbucks coffee, full of nature, light and comfort.

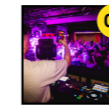

02 The Kitchen — students favourite takeaway choice on campus. Serving cheap, fast, food and coffee.

03 SU Bar — a place to kick back and relax. With a beer & game or a book in the corner. We're the heart of campus.

04 Top Bar — the bar of choice for the sophisticated student. Serving craft beers, artisan gins, wine & cocktails. With pool tables & darts.

05 Sub Zero — Essex's biggest student nightclub. Right on your doorstep! This is the place to go to dance.

06 The In-Between — the place to go for students that want more than a bar, but less than a club. Celebrating diversity.

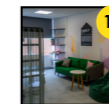

07 The Atrium — a blank canvas, ready to become the room our members need it to be. From games nights to craft sessions.

08 Cine10 — your on-campus cinema, located on the top floor of the LTB (in room 10!). Student friendly ticket prices.

09 The Store — we're the go-to shop for convenience on campus. Famous for our £3.99 Meal Deal.

10 The Communities Common Room — a place for communities with protected characteristics to feel at home and connect with others.

11 Everything Essex — the place to get your Essex University hoodie & all your essential stationery.

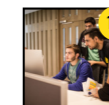

12 SU Homes — your on-campus letting agency. From family friendly housing to studio and group houses. They'll help you find the perfect home.

13 SU Advice — University life can be a rollercoaster of emotions - the highs, lows and everything in between. Our caring and supportive SU Advice team are here whenever you need them.

14 SU Reception — we offer many different services from bus passes to free condoms, come in and say hi and we will try our best to answer any questions.

15 Rebel Creative Studios — the home of student media at Essex. A place for creative expression that's free and inclusive to all.

The best bit? We're not for profit, just for students.

Every penny we make goes back into the SU. So, when you buy a meal deal from The Store, a pint in SU Bar, a coffee from The Kitchen, that money is re-invested into SU services.

*DON'T WORRY. NOBODY UNDERSTANDS THE ROOM NUMBERING SYSTEM WHEN THEY START.
